Subject: Site access

Please find attached the requires site access agreement.

Raymond Williams

Site Access Agreement

Ronald D. Ruegge, President, (owner) of
W & B of Franklin County Inc, is
the owner of the property at 7627 Zero Road, Berger
Missouri, (property).

Owner hereby grants to U S Technology Corp. (UST) and
Missouri Green Materials LLC (MGM) access and
permission to occupy the property for the purpose of
removing the abrasive material previously supplied by
UST to MGM. Removal will be completed consistent with
the direction of U S EPA Region 7 Consent Agreement and
Final Order RCRA-07-2016-0032.

UST and MGM affirm that they will manage the removal
as quickly as practical and cause no harm to the property.
The occupancy will be returned to the owner in a clean
and uncontaminated condition. UST indemnifies and
holds owner harmless for accident, injury, or claims of UST
workers or sub contractors while occupying the property,
or arising out of their operations or occupancy.

*The Owner will not allow any use of electrical, water, sewage or Telephone
by UST, MGM or their Contractors. If any electricity is used
All payments for use will be paid in Three (3) Working days.*
